

- 01 Existing registrations under Factories, BOCW, CLRA, ISMW, Mines, Plantations Acts remain valid under the OSH Code — subject to intimation to registration officer within specified time. Also applies to EPF & ESIC registrations.
- 02 Registration under OSH to be obtained within 60 days of applicability. A single registration now covers all establishment details, contractors, contract workers, inter-state migrant workers and construction work.
- 03 Closure of establishment must be intimated within 30 days, with a declaration certifying payment of all dues to workers. Surrender of any Registration under OSH Code to be accompanied by a similar declaration from employer
- 04 Contract Licenses now required only for contractors employing 50 or more workers.
- 05 A contractor may obtain a single licence for all its establishments in a state (and in some cases, nationally), with provisions to add new establishments to the License based on fresh work orders.
